Index Format and Content

The 13 volumes (11 books) covered by this index are:

EP = How to Develop Your ESP Power

SD = Seth, Dreams, and Projection of Consciousness

SM = The Seth Material

SS = Seth Speaks

PR = The Nature of Personal Reality

UR1 = The "Unknown" Reality - Volume 1

UR2 = The "Unknown" Reality - Volume 2

NP = The Nature of the Psyche

ME = The Individual and the Nature of Mass Events

DE1 = Dreams, "Evolution," and Value Fulfillment - Volume 1

DE2 = Dreams, "Evolution," and Value Fulfillment - Volume 2

MA = The Magical Approach

WH = The Way Toward Health

To avoid the problem that different editions of the indexed books have different page numbers, the entries in this index do not contain specific page numbers – they contain session numbers, chapter numbers, appendix letters, etc. Sessions usually contain two to eight pages; chapters are usually 11 to 12 pages. Thus you will have to hunt through a number of pages to find the text to which an entry refers. Using substitutes for page numbers was necessary to avoid indexing every current and future edition of these books.

The substitutes for page numbers contain the following abbreviations:

App = Appendix -- for example, AppA = Appendix A

c = chapter -- for example, c15 = Chapter 15

ESP = ESP Class Session

Epi = Epilogue

For = Foreward

Int = Introduction

In1 = Introduction 1

In2 = Introduction 2

Int01 = Essay 1

n = note at the end of the section

Pre = Preface

s = Session - examples are:

s381 = Session 381

s1/05 = a session that occurred on 1/05/1984
